Eugene Townsend Esq.,

Superintendent, U. S. Mint,

Philadelphia, Pennsylvania.

Sir:-

I will thank you to inform me by return mail if practicable the space that it would require to set up and operate one of the small sized coining presses at your Mint, and also the space that would be required to exhibit cases containing a set of National medals, so that the obverse and reverse might be shown. This information is desired for the use of the committee in charge of the Treasury exhibit at the Atlanta Exposition.

I will also thank you to inform me ^{what would be} of the cost of preparing these for shipment.

Respectfully yours,

Director of the Mint
